THE PENKRIDGE MIDDLE WAY

HEADTEACHER UPDATE

Dear parents and carers,

I cannot believe I am writing the final newsletter of the year. It has been another incredible year as headteacher of PMS. The support, effort, and donations that have gone into 'Go Green Day' have been amazing. To see the school turn green and raise so much money for charity has been incredible. We will share the total amount of money raised with you during the early part of next week. Thank you once again for your generous contributions to charities close to all our hearts.

As it approaches the end of the year, we must also say goodbye to staff who will be moving on. Firstly, Miss Powers begins her teaching training in September after being a learning support mentor for the past two years. We know she will be fantastic, and we will be on hand to support her where we can. Along with her, Miss Sheppard will also be moving on to an exciting opportunity at a high school. The impact Miss Sheppard has made has been incredible, and we know she will be a star as she furthers her career. We wish them both the best and thank them for the contribution they have made to PMS.

Excitingly, we will welcome new staff to the school. Mrs Uttley will be joining the science department, Miss Vine will be joining the PE department, and Miss Finlayson will be joining the learning support mentor team. In addition to this, Donna from the PMS Hub will also become a learning support mentor. The role of Hub leader will be advertised, so if you are interested or know someone who might be, please let them know. We want to welcome all the new staff into the school and wish them all the best as part of the team.

In regards to the new academic year, we will send information about the first day back at school during the summer holidays. This will give you an idea of what's to come at the start of the term. Pupils will also find out their new form teacher during the afternoon of 15th July as we complete an internal transition.

I just want to take this opportunity to thank you all for the support throughout the year. We honestly love working with you as parents and carers and want to continue our positive relationship into the next academic year.

I also want to thank all the staff in school who once again this year have gone above and beyond to support your children, giving up their time freely to give them opportunities both inside and outside the classroom.

I wish you and your families a fantastic summer break and look forward to doing it all again in September.

Mr Grocutt

PUPIL SUCCESS

Well done to Kobi, who won two gold medals at the Lincolnshire Championships recently. Kobi has had some great results with his taekwondo, and we are always delighted to share in his success.

Jaiden had a really successful end to the football season, picking up a number of awards for the Chase Predators. Well done Jaiden, this is a fantastic achievement.

Well done to Orlaith and her team, who travelled to Prague to compete for her country. She finished 6th, which is brilliant, in her first international event. Well done, Orlaith.

Well done to Max and Ace, who successfully won the Eccleshall Eagles football tournament on penalties. Max managed to save four penalties to help his team secure the win. Well done, lads.

Great news for Erin in Year 6, who has signed for Wolves Academy U12's. This is a terrific achievement, and we look forward to hearing about all her successes.

IMPORTANT REMINDER

The final day of term will be Friday 19th July. All pupils will finish school at 1pm. There will be no PMS HUB on this afternoon so all pupils will be required to leave school for the summer holidays.
