## School update

THE PENKRIDGE MIDDLE WAY

### HEADTEACHER UPDATE

It has been amazing to welcome pupils back to school after the summer break.

Pupils have returned looking focused, ready, and determined for the new school year, and all staff have commented about the positive start to the new term!

To the families of those who are joining us this year, I want to say a massive welcome, and I look forward to working with you all. For those who have returned, I want to thank you for your continued support.

The start of term is always busy, so it is vital to stay up to date with ClassCharts as this is the best place to receive all information about what is going on. If you are still yet to sign up, or have any issues, please contact the office.

In the coming weeks there will be information about trips, school events, and the chance to come in to meet the form teachers.

I want to thank parents who have supported us in keeping the top school car park clear this week. We are thankful to see pupils being dropped at the bottom of the drive and walking up, which ensures the safety of all staff and pupils.

We are really excited about the new academic year and cannot wait to make further improvements at Penkridge Middle School in the coming weeks and months.

As we always say, if there is anything you are unsure of or want more information about, then please do let us know.

Have a great weekend.

Mr Grocutt

### PUPIL SUCCESS

A massive well done to Ellie now in Year 6. At the end of last year, she was awarded 'Most Improved Player of the Season' for Stafford Netball Clubs. This was a brilliant achievement, and we are really proud of her. Great job Ellie.

Well done to Ace and Max who over the summer managed to win the City of Stoke Tournament with Stafford Allstars. This is a great achievement, and we are sure it took a lot of hard work to win the trophy. Well done to both.

Ace has been a busy boy over the summer as he had the great opportunity of attending an open day with Birchfield Harriers at the Alexander Stadium, where he met Matthew Hudson-Smith (400m silver and bronze medalist)

who had just returned from Paris. Ace was invited back by the coaches after showing potential and has joined their pole vault academy. Well done Ace, we cant wait to see where this takes you.

### WHAT'S COMING UP

12.9.24	MFL Football Event
17/18 .9.24	Yr7 Wolseley Bridge
24.9.24	Whole School Flu Vaccinations
26.9.24	Yr 5&7 Meet the Form Teacher

## TRICK BOX

Trick Box is a simple, fun and effective whole school, whole journey, emotional management and personal development programme, supporting children and young people from ages 3-18 and their families. Each week we will share a new 'trick' with pupils in school to use should they need to, so please discuss this and use at home.
