Context

The Government is providing additional PE funding for academic years 2024 to 2025. This funding is to improve physical education (PE) in Primary schools. In Middle schools, the funding is for Year 5 & Year 6 pupils. This funding – provided jointly by the Departments for Education, Health and Culture, Media and Sport – will be allocated to Primary school head teachers. The funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.
